

# MISSION INDUSTRY 4.0

APRIL 20-22 2026 - LYON

Experience the Future of Manufacturing in  
France's Leading Innovation Hub

## MEET

Industry leaders, partners and academics  
through exclusive visits and networking cocktails.

## GET INSPIRED

By cutting-edge Industry **4.0 technologies**  
and real-world success stories.

## SELL

During a **B2B matchmaking** session with  
prospects of France's leading innovation region.

## CONNECT

with the **French, Norwegian and Dutch**  
participants of this unique operation.

Join us for an exclusive 2-day learning expedition to Lyon, where Norwegian and Dutch companies will explore France's most advanced Industry 4.0 ecosystem. Experience hands-on workshops and witness cutting-edge technologies at the Regional Digital Campus.

Connect with key industry players through strategic B2B matchmaking. A unique collaboration between the French-Norwegian and French-Dutch Chambers of Commerce to unlock business opportunities in the Auvergne-Rhône-Alpes region.

# WHY CHOOSE LYON ?

€500B+ manufacturing market

Unique solutions in Europe

61,000 industrial companies

## LYON: A UNIQUE INDUSTRY 4.0 TESTBED FOR APPLIED ROBOTICS & AI

Lyon is home to one of Europe's most advanced **Industry 4.0 innovation campuses**. At the heart of this ecosystem, the Regional Digital Campus provides a fully operational environment where companies can experiment, prototype and scale digital transformation projects with immediate access to cutting-edge equipment, expert engineers and hands-on learning facilities.

A cornerstone of this campus, **SWARM Lab'zz**, offers something rarely found elsewhere in Europe: tailor-made support for companies wishing to apply robotics, AI and automation to concrete industrial workflows. You will be guided through practical user cases, live demonstrations, and co-design workshops that mirror actual factory conditions.

# PROGRAM

NETWORKING COCKTAIL

20/04/26

21/04/26 - 8:45 A.M

## REGIONAL DIGITAL CAMPUS

Discover Lyon's innovative tuition-free coding school with its unique peer-to-peer learning model.

### SWARM LAB

Experience Industry 4.0 through user cases that showcase transformation processes and the digitization of production lines.

### DIWII

Participate in hands-on Connected Lean workshops, explore the Industrial FabLab for rapid prototyping and digital manufacturing technologies.

### SURFAB

Witness advanced surface texturing using ultra-short femtosecond lasers with robotic arms and micro-machining innovations.

### FAACTOPI

Tour a cutting-edge Manufacturing as a Service facility that helps companies industrialise innovations quickly and cost-efficiently.

**B2B MATCHMAKING**

22/04/26 - 9:00 A.M

After the Regional Development Agency's presentation, one-on-one meetings will connect you with potential partners to explore collaboration and commercial opportunities.

**To Be Confirm**

## **DUTCH & NORWEGIAN COMPANY PRESENTATION**

Presentations by two Dutch and Norwegian leading energy innovators established in Lyon. Dutch nuclear specialist **Thorizon** and Norwegian green energy leader **Statkraft**.
